**WE WILL SUCCEED ONLY IF ZERO DISCRIMINATION  
AND DESTIGMATIZATION OF VULNERABLE  
COMMUNITIES IN EECA ARE ACHIEVED!**

One of the AIDS2018 objectives - to spotlight the state of the epidemic and the HIV response in EASTERN EUROPE and CENTRAL ASIA (EECA), the region with the fastest growing rates of HIV and mortality related to HIV/AIDS in the world.

In response to the situation, all regional networks of key populations have joined forces in the campaign aimed at attracting global attention to overcoming the discrimination and stigmatization of vulnerable communities. This is the key condition for an effective response to the HIV epidemic in our region.

**SUPPORT US,  
JOIN THE EECA COMMUNITIES  
CAMPAIGN!**
